

Ahmet Berkay Kebeci

Bilkent University
Faculty of Science
Mathematics Department
Senior Student

email: ahmet.kebeci@ug.bilkent.edu.tr
email: berkaykebeci@live.com
URL: ahmet.kebeci.ug.bilkent.edu.tr

Born: January 21, 1993—Kırklareli, Turkey
Nationality: Turkish

Education

2007-2011	Bolu Fen Lisesi
2011-2013	Bilkent University School of English Language, Bilkent University
2013-2017	B.Sc. in Mathematics, Bilkent University

Areas of specialization

Mathematics • Algebra • Finite Group Theory

Projects

2016	Schur-Zassenhaus theorem and Hall subgroups Advisor: Prof. Ergün Yalçın Senior Project I, 2015-16 Spring Bilkent University
2016	Burnside rings (not finished) Advisor: Prof. Ergün Yalçın Senior Project II, 2016-17 Fall Bilkent University

Talks

2016	"The Schur-Zassenhaus theorem and some corollaries" Group Theory Seminar, Bilkent University
2016	"Schur-Zassenhaus theorem and Hall subgroups" (Senior Project Presentation) Fusion Systems Seminar, Bilkent University
2015	"Voting theory" Bilkent University Mathematics Society

Assistantship

2016 Math 230 - Probability and Statistics
Grader
2016-17 Fall
Bilkent University

Research Interests

Finite Group Theory
Combinatorics
Geometric Topology

Other Informations

2015 Bilkent University Orienteering Team
2007-2011 Bolu Fen Lisesi Mathematics Olympic Team

Languages

Turkish: First language
English: Fluent

Curriculum Viate

as of December 2016
